Chucky D is quickly becoming one of the most surprising up and coming Headliner with his very refreshing view of comedy. He takes you to a world that you can relate to about marriage, divorce, family, and just everyday life and just when you are comfortable he hits you with one of his twisted outlooks on the subject. He can entertain any crowd no matter age, race, or gender. No matter if you are rich, poor, have been picked on, or if you were the bully Chuck has a joke for you. He describes he comedy as therapy for those who have been kicked in the butt by life and needs to get away even if it is for just 45min.

Chucky D has been a regular around the Arkansas area and is now ready to invade the rest of the country. He worked with comedians such as Mark Reedy, Valerie Storm, Rick Gutierrez, Chinaman, Spanky Brown, and a long list of others. He recently was crowned with "The People's Choice Award" winner at the Branson Comedy Festival All-Stars. He is currently on "The Anger Mismanagement tour" With Michael (Doc) Davis, and Patrick the angry Viewer.
