If you're not laughing, you don't have a pulse.

Doc has a style all his own and has been called the Hard Rock Doc, Heavy Metal Corporate Nerd, among others. He fits into any crowd / audience. He has performed in Comedy Clubs, Supper Clubs, Bars, Night Clubs, Churches, Fund Raisers, Benefits and even local celebrity roasts. He has even has also opened as an emcee and feature act for comedy theater groups and bands or concerts.

Doc has a title of Branson Comedy Festival All-Star and was in the top 5 of 22 in the last contest that he performed at prior to that. His comedic style is down home, witty, thought provoking and just plain funny. He can put on the heat if the situation calls for it. Enjoy the laughter as Doc shares his thoughts and stories from life's events to just stuff strange stuff in his head. He is very animated, uses funny voices and even slips in a few impersonations.

Welcome to the random thoughts of Doc...
